Correction

The Fleet branch of the Cleveland Public Library, 7224 Broadway Ave., in Slavic Village, is distributing curbside pickup of Grab and Go meals for children ages 18 and under every Thursday through August 6th between 10:30 a.m. and 12 p.m., through the Greater Cleveland Food Bank.

Each child will receive enough food for five meals. Food bank staff will also help adults apply for food assistance and other critical benefits. Incorrect pickup dates were listed in last week's paper.

The Neighborhood News offices will be closed this Friday, July 3, for the July 4th holiday weekend. Normal deadlines will apply for next week's issue. See Pages 4 & 5 of this newspaper for a tribute to Independence Day brought to you by our local businesses and city leaders. Happy July 4th!!

Cuyahoga County library branches to reopen July 6

On Monday, June 29, all Cuyahoga County Public Library branches opened for either drive-through or curbside service only from Monday through Saturday, 9 a.m. to 5 p.m. at the following branches in The Neighborhood News readership area: Garfield Heights (drive-through), and curbside services at the Independence, Maple Heights and Southeast branches.

All county library branches will be closed on Sat., July 4.

On Monday, July 6, all Cuyahoga County Public Library branches will reopen for public access from Monday — Thursday, 9 a.m. to 9 p.m., Friday and Saturday, 9 a.m. to 5:30 p.m.; closed Sunday.

Curbside and drive-through service will continue to be offered after the library reopens on July 6. Simply call your branch ahead of time to let them know that you prefer curbside service when picking up materials on hold.

Customers who wish to use the drive-through window service do not need to schedule a specific pick up time. Bring your library card or have the library card number associated with the hold in order to pick up material. It is recommended that customers arrive at a drive-through location at least 15 minutes before closing to ensure staff will be available to assist them.

Regarding curbside service, a staff member will call customers when items placed on hold are available to schedule a pickup time. Customers should bring their library card (or have the library card number associated with the hold) and call the branch when they arrive in the parking lot for their scheduled pick up. Staff will then check out the materials and deliver them to your car.

The use of masks is strongly recommended when visiting the library. If a customer needs help on the computer or with any task that requires a staff person to come within six feet, a mask will be required. The library will provide a mask if one is needed.

The first hour of each day, 9 to 10 a.m., Monday through Saturday, has been designated for vulnerable, high-risk customers.

Community meeting on racism, policing held in Garfield Heights

After the recent events throughout the country and now in Garfield Heights regarding police and community interactions, Deacon Michael Peters of The Rock Church and civic activist James Fruits put together an event last Thursday evening called "Lifting the Voice of the Community: A Community Conversation about Systemic Racism and Policing Issues."

The Rock Church hosted the event outside behind the Garfield Boulevard church, which was attended by a diverse group of an estimated 75-80 Garfield Heights residents, city officials and State Rep. Stephanie Howse.

Those attending were seated in circles of about eight people each with at least one Garfield Heights police officer in each circle. Everyone was handed sheets of paper with talking points to guide discussion, such as: "Based on your experience, what are police doing well; what needs to change." Residents and officers both responded to each question.

Peters said he was very pleased with the turnout and the open, respectful dialogue of those in attendance. Notes of the conversations were turned in after the meeting by group leaders. Peters said he and Fruits will look at the sheets early next week to find common threads for future planning.

Community police reports

Garfield Heights

Criminal Damaging

Officers responded to Garick Corp., 13600 Broadway Ave., on June 22, for a criminal damaging report. Police observed one of the front windows was completely shattered and one window had a bullet hole in it. Upon entering the business they saw bullet holes in the walls and doors of the front offices.

Felonious Assault

GHPD officers were dispatched to E. 131st St. and Forestdale for a shooting on June 21, at 1:50 a.m. Multiple victims were found

standing outside a parked SUV which had several bullet holes and broken windows. Two female passengers in the car had sustained single gunshot wounds to their upper thigh area on their left legs. Both were treated on scene and transported to MetroHealth Medical Center with non-life threatening injuries. Police learned that five people had been in the SUV traveling home from a nightclub in Cleveland. While making a right turn onto E. 131st from Broadway, they heard what they thought were fireworks. They quickly determined they were being shot at from a moving, older model white sedan, then watched as the suspect car fled north. Police closed the roadway from Broadway/E. 131st to Forestdale and recovered several rifle shell casings in the area. Report forwarded to Detective Bureau.

Attempted Suicide

On June 26, at about 2:13 a.m., police were dispatched to I-480 westbound at Transportation Blvd. for a female that they later learned had jumped from the Transportation Blvd. overpass onto the highway below. Upon arrival officers found the woman lying on the right shoulder in a contorted position face up, with obvious injuries to her body, head and face. The woman was conscious and told police she had tried to kill herself. A driver on his way home from work had seen the woman and called police. GHFD personnel provided first aid and transported the female to MetroHealth.
